Justin Verlander, ace pitcher for the Detroit Tigers, won the 2011 American League Cy Young Award and coveted 2011 Most Valuable Player of the Year Award. How did he get there? Learn the joys and pitfalls of raising a modern day superstar from an angle that you will find nowhere else—Mom and Dad. See exclusive photographs from the Verlander family album and enjoy a firsthand account of what builds not only an outstanding athlete, but an athlete with character so renowned and admired that he has earned the nickname, “King of Detroit.”

The topic of their address is how adults (grandparents, aunts and uncles, parents, coaches, teachers and the community) can help make children’s dreams come true. This will be an inspiring evening for us all to enjoy and is a public benefit sponsored by Sunrise Side Lifelong Learning and the school districts of Iosco County: Tawas Area, Oscoda, Hale and Whittemore-Prescott and funded by the Iosco County Community Foundation.

Come meet and talk with the Verlanders! Richard and Kathy will inspire us to better enable our children’s dreams to come true.
